

Showing Off Your Favorites

1. Enter your gallery—password is provided to the subject of the photographs.
2. Select one or more photographs. Select one by clicking on it, select multiple photographs by hovering the mouse over the photograph and clicking "Select"
3. Click "Add to Favorites" from the top/middle of the gallery (in the gallery view) or the second choice down in the hover menu of a single photograph.
4. To view your "Favorites" click on "My Favorites" in the upper left corner.
5. If you would like to save these for later, click "Store" next to the date in the upper left corner.
6. To share, click on the "Share" button in the upper right corner, and the right tab to share with friends. You can select the URL and paste it to Facebook or Email it to your friends/family.
7. You can also share individual photos from the third link on the hover menu on an individual photograph.
